What have we done so far? – Here are some of the Local Action Plan success stories:

A cleaner environment achieved by twice yearly volunteer litter picks.

A place for residents to meet regularly, achieved through the setting up of a drop-in centre at the HUB (now an independent group).

A new youth club (now an independent group).

Better play facilities for our youngsters, achieved at the Recreation Ground in partnership with the Parish Council, Rother District Council and ESCC Play Pathfinder grant.

More things for young people to do, achieved through organised play sessions and events during the school summer holidays with the help of Action in Rural Sussex and the Westfield Youth Club.

Pride of place achieved by **spring bulb planting** throughout the parish; an increase in the number of dog-waste bins; an increase in the **regular emptying of local recycling bins** at Churchfields; working parties to **clear footpaths and repair / build stiles**.

Better local communications achieved with the setting up of a community website to advertise events, community groups and businesses, and to provide an information point for the parish. See www.westfieldvillage.co.uk .

What happens next? There are no promises, but tell us what you want and we will see what we can do.

Working together to build a better community

Dear Fellow Parishioners

Your opinions are important. We hope that you will want to be involved and don't miss the opportunity to HAVE YOUR SAY.

In 2005 the Westfield Parish Action Planning Group conducted a survey of all residents in the parish.

The survey was a way of finding out:-

- what you think of Westfield
- what your concerns are
- what improvements you want
- and also to find out what changes you don't want.

We asked for your views and ideas about Transport, Housing, the Environment, Young People and Children, Communication, Recreation.

From the results of the 2005 survey, most of the action points have been addressed. Some of the original projects are continuing with minimal change, some are complete and a few are yet to make any progress. Five years on it seems appropriate to ask "What do you want us to do next?"

Every Westfield parishioner can now directly influence the future development of the village. We attach a brief, updated questionnaire for your feedback on areas that you would like us to focus on. All responses are anonymous and will feed into a priority list of actions for the village over the next five years. Please complete your questionnaires ASAP and return by 31st May 2011.

Questions: All responses are about **you** and **your ideas**. All responses are anonymous.

Please encourage every adult in your household to fill in their own copy of this survey as every person's view is important.
